Wedding Flowers

For your big day we know that everything has to be perfect. Don't worry! We are with you all the way. From your first consultation to the big day itself, we will work with you and your other key providers to help make your dream day a reality.

From the personal flowers for the bride and principal guests to flowers in the venues for the ceremony and reception, we will give you the advice that will help you coordinate everything.

On the day itself we can deliver everything to the right places and move and set up the venue flowers to ensure that you get the best possible value from all your arrangements.

Weddings are individual and unique occasions that should reflect the people involved. That is why we offer a range of inclusive packages that you can shape to fit your own dreams for your special day.

We offer a wide variety of designs and price points so that you can find the perfect match to your budget, your gown and your venue.

Alternatively we also offer a completely bespoke service, where one of our designers will create stunning bouquets and designs exclusively for you.

As your wedding flowers are so personal to you, please get in touch by email or telephone to arrange a consultation with one of our senior wedding florists, who will discuss your needs with you. We will then provide you with a full written quotation for the flowers that you choose.

Our prices will depend on exactly what you require and the season of your wedding, but we will of course provide you with the best quality and selection within your own budget.

As a very general guide to help you plan, our prices are likely to fall within the following ranges:

Brides' bouquets from £35 to £200

Bridesmaids' bouquets from £30 to £100

Table arrangements from £30 to £80

Pedestal arrangements from £75 to £200

Buttonholes and corsages from £3 to £25

We can of course also provide a full range of other floral accessories, decorations, garlands, arches, gifts and jewellery to complement your flowers.

We would love to help you make your day perfect - but please book early as we do get fully booked and would hate to disappoint you.

1. Traditional

Perfect for those dreaming of beautiful roses and seasonal flowers and foliage but without wanting to decide every tiny detail. Let our team of specialists take away some of the work and let you concentrate on other aspects.

Colour choice: cream, orange, light pink, bright pink, purple, red, yellow, white, or a combination of any two.
